Additional Information:

St. Charles County Department of Public Health Recommends Safety Precautions for Holiday, Outdoor Activities

For those celebrating Independence Day weekend, [the Department of Public Health recommends individuals continue efforts](#) to keep safe and protect others against the spread of #COVID19. While enjoying holiday celebrations, backyard barbecues, pools or other community activities, please continue to practice social distancing, wear masks correctly, and wash hands and commonly touched surfaces regularly.

St. Charles County Begins Distributing PPE to Area Non-Profit Organizations

Last month, St. Charles County requested that interested community non-profit agencies apply for a limited quantity of Personal Protective Equipment (PPE) that was available. This week, the County began distributing these materials to more than 30 St. Charles County agencies. Resources being distributed include gloves, masks, caps, gowns and other material designed to protect individuals and employees against the spread of illness.

Community Resources Available

To help St. Charles County residents and businesses during the COVID-19 pandemic, [a web page](#) offers links and phone numbers for organizations offering assistance.
