

## **Park Firewood Vendor Solicitation**

The St. Charles County Department of Parks and Recreation is advertising for vendors to supply firewood to patrons of Klondike Park, 4600 Hwy. 94 South, Augusta, Mo. 63332.

Klondike Park has camping facilities and does not provide firewood to patrons. To prevent the spread of the Emerald Ash Borer, all firewood available to park patrons must originate from St. Charles County or adjacent counties. Firewood vendor contact information will be posted on park kiosks and provided by request. Any arrangement for delivery and payment of firewood is solely between the park patron and vendor and must be done during hours the park is open. No firewood can be stored on-site for purchase.

To be eligible for approval to become a firewood vendor, a letter from the vendor with contact information acknowledging compliance with provisions stated in this announcement must be received by May 6, 2013. Letters should be sent to:
