

# LEARN TO CODE

Coding, or computer software programming, is opening doors for career opportunities for people of all ages and skill levels.

The Missouri Job Center of St. Charles County hosts free, hands-on, 90-minute workshops each month in cooperation with the St. Charles Community College Computer Science Department.

Seating is limited to 16 and pre-registration is required. To register, contact the Missouri Job Center of St. Charles County at 636-255-6060, or email Mariza Almstedt at [malmstedt@sccmo.org](mailto:malmstedt@sccmo.org).

## 2019 WORKSHOP SCHEDULE

Sessions begin at 9 a.m., and are located at the Missouri Job Center of St. Charles County  
212 Turner Boulevard, St. Peters, MO 63376

### Intro to Computer Software Coding

*Learn about Python software, a popular, general purpose programming language.*

Jan. 14 • March 11 • May 13 • Aug. 12 • Oct. 7

### Intro to Object-Oriented Programming

*Create interactive graphics with Alice software, used in video game design and other applications.*

Feb. 11 • April 8 • June 10 • Sept. 9 • Nov. 4

St. Charles County and its Workforce and Business Development department are equal opportunity employers/programs. Auxiliary aids and services are available upon request to individuals with disabilities. All voice telephone numbers listed may be reached by persons using TTY/TDD equipment via the Missouri Relay Service at 711.
