Medical services include medical/healthcare at a hospital, doctor's office, dental office and other medical facilities. Essential shopping includes grocery stores, Walgreens, CVS, Target and Walmart. Other essential services include banks, credit unions, post office, Social Security office, library, a medical or care facility for a spousal visit, purchase of any medical device or medical equipment, local food pantry, or public service organization designed to assist low income households.

Please note: Trips outside St. Charles County for purposes other than medical are not eligible under this program. All medical trips outside St. Charles County must be within 15 miles of the home. Services are provided by OATS Transportation; several modes of transportation are used, depending on need and ability.
