## LAKE SAINT LOUIS BOULEVARD – I-70 ROUNDABOUT

### Project Location:

Lake Saint Louis Boulevard from south of Veterans Memorial Parkway north to the I-70 west bound ramps and Veterans Memorial Parkway from Warf Street to east of Rue Petite as well as I-70 east bound on/off ramps east and west of Lake Saint Louis Boulevard

### Project Description/Scope:

This project will construct a 6-legged roundabout at the intersection of Lake Saint Louis Boulevard and Veterans Memorial Parkway. The proposed roundabout will promote a continuous flow of traffic that moves more freely and with less congestion on the approaching roads. Traffic is not required to stop, only yield, so the intersection will be able to handle more traffic in the same amount of time. Traffic models show the delay will decrease from 45 s/v to 5.18 s/v.
