St. Charles County ½ Cent Transportation Sales Tax.

WEST ELM STREET EXTENSION

Project Location:
Beginning at North Main Street and extending west to the pavement installed by the
O'Fallon Station development.

Project Description/Scope:
The project will reconstruct and extend the existing portion of West Elm Street and connect
North Main Street to the existing pavement to the west that was constructed as part of the
O’Fallon Station development. The project would include full depth reconstruction to
provide for a 24 foot wide roadway with curb and gutter, storm sewer system, and a 6 foot
wide concrete sidewalk adjacent to the north side of the roadway, traffic signal upgrades
along with accessible ramps and pedestrian crossing facilities.
