

LEARN TO CODE

Coding, or computer software programming, is opening doors for career opportunities for people of all ages and skill levels.

The Missouri Job Center of St. Charles County hosts free, hands-on workshops in cooperation with the St. Charles Community College Computer Science Department and Claim Academy.

Seating is limited to 16 and pre-registration is required. To register, contact the Missouri Job Center of St. Charles County at 636-255-6060, or email Mariza Almstedt at malmstedt@sccmo.org.
