LAREDO AGREEMENT FOR ST. CHARLES COUNTY ONLINE ACCESS

THIS AGREEMENT IS NOT A BULK DATA & IMAGING CONTRACT.

THIS AGREEMENT, by and between the County of St. Charles, Missouri, by and through the St. Charles County Recorder, hereinafter collectively referred to as "Recorder" and

_____, hereinafter referred to as "Subscriber".

WITNESSETH:

WHEREAS, County maintains information within the County Recorder's Office which is of assistance to various entities and individuals; and,

WHEREAS, Subscriber desires to access information pertaining to real property for its own use at a price sufficient to permit Recorder to recover its costs of labor and material as well as depreciation of in house resources; and,

WHEREAS, Subscriber understands that changes and adjustments are made in the official records from time to time which may be in process at any given time and the information received by Subscriber will be subject to such changes and adjustments.

NOW THEREFORE, in consideration of the mutual undertakings and agreements contained therein, the Recorder and Subscriber hereby agrees as follows:

Scope of Services

County's Responsibilities:

- Availability of databases: The index records are available beginning January 1, 1972 through the last verified date published in Laredo by the Recorder. Document images are available beginning November 16, 1804 on all documents filed thereafter to verified date in Laredo.
- The obligation to provide such access is always subject to the obligation of Recorder to fulfill her statutory duties. Recorder obligations and Subscribers rights under the agreement are secondary to the statutory duties of the Recorder.
- Service will be provided to Subscriber on a non-guaranteed basis seven days per week (Sunday through Saturday), twenty-four (24) hours per day, excluding scheduled maintenance as designated from time to time by the Recorder or by the County Information Systems at its sole discretion.

User Responsibilities:

- One month payment in full is due before access is allowed. Checks will be made payable to the St. Charles County Recorder, 201 North 2nd Street, Suite 338, St. Charles, MO 63301. Advanced payment required.

- Subscriber agrees to use Laredo Connect to manage their accounts with the County to make deposits electronically allowing for instant credit to escrow balance. The subscriber will be able to view up to the minute escrow activity and balances.
- Subscriber agrees to keep Subscriber password confidential. Subscriber shall notify Recorder immediately of any loss, theft, or unauthorized use of Subscriber password. A password may be changed and coordinated through Recorder.
- Subscriber shall not in any way enhance, or alter public records accessed, or attempt to do so, or disclose any confidential information contained thereon.
- Subscriber warrants and agrees that Subscriber shall not data scrape/web scrape/data harvest/web harvest or data mine or anything similar to any system used, maintained, or owned by Recorder. A “data scrape/web scrape/data harvest/web harvest or data mining” occurs when a computer program has extracted data from a human-readable output coming from another program. A breach of this section shall result in a revocation of this license. Furthermore, Subscriber agrees that it will not be issued access to Recorder’s information for a minimum of one (1) year if this section is violated.
- Subscriber agrees that any data scrape/web scrape/data harvest/web harvest or data mining may be viewed as theft and may be punishable under Missouri law or any other applicable law.
- Subscriber agrees that it shall not sell, distribute, reproduce, market, or in any way re-use such program information as independent “stand-alone” information without the express written consent of Recorder, and User shall not acquire any proprietary rights to such computer program information.
- Both Recorder and Subscriber agree that it would be impracticable and extremely difficult to ascertain the amount of actual damages caused by material breach of this limitation. Therefore, Recorder and Subscriber agree that, in the event the Subscriber has breached this limitation, Subscriber shall pay to Recorder five thousand dollars (\$5,000) in liquidated damages for each breach. For purposes of this agreement, a breach shall be defined as the sale, distribution, reproduction, marketing, or re-use of any single document. Each document sold, distributed, or reproduced constitutes a separate breach. Recorder and Subscriber further agree that this liquidated damages provision represents reasonable compensation for the loss which would be incurred by Recorder due to any such breach. Subscriber also agrees that nothing in this section is intended to limit the Recorder’s right to obtain injunctive and other relief as may be appropriate.

Termination shall not relieve a party of its obligation incurred prior to the effective date of the termination. The Recorder reserves the right to prohibit Subscriber from entering into another agreement for a minimum of one (1) year when Subscriber's prior agreement is terminated with cause.
