REQUEST FOR TRANSFER OF A LAND DISTURBANCE PERMIT

Current Permit # _____

Current Permittee _____

Legal Description of Area to be Transferred (Also, attach map or plan showing the area to be transferred):

As the current permit holder, I request that the Director of Development Review transfer the land disturbance permit to _____.

Current Permittee's Signature

Transferree's Signature

The Director of Development Review must determine from the request and supporting documentation that the area to be transferred includes substantially all of any drainage basin or basins wholly or partly within the area subject to the originally issued permit and give permittee and transferee written mail notice of that determination.

If approved, the transferree must apply and pay fees for a new land disturbance permit through the [Citizenserve Portal](#) and submit:

- 1) A performance guarantee (as required in Section [412.080](#)); and**
- 2) A copy of the Missouri Department of Natural Resources land disturbance permit ownership transfer documentation per 10 CSR 20-6.200 for the same transfer (no County permit may be transferred without this document).**
