DUELLO ROAD PHASE 2B

Project Location:

Duello Road south of Columbia Downs Drive to easternmost 90-degree curve on Duello Road

Project Description:

The proposed project will provide for the completion of a new alignment of Duello Road to bypass the 90-degree curves on the existing portion of Duello Road near Duello Elementary School. The project will provide for a straighter and wider pavement section to increase safety. Existing Duello Road is a narrow 2-lane roadway with no shoulders. The proposed project will widen Duello Road to provide for two 12-foot lanes with 6-foot shoulders. The pavement will be widened at the existing connections to Old Duello Road to provide for separate left turn lanes. To accommodate pedestrians, the project also includes a 5-foot-wide sidewalk along the east side of road.

Project Status: Project is currently under construction

Project Funding:

TOTAL	County	Sponsor	Federal	Other
\$2,769,613	\$2,769,613	\$0	\$0	\$0

Anticipated Completion Year: 2022

Sponsor: County Highway
