I-70 SOUTH OUTER ROAD WOODLAWN TO ROUTE K

Project Location:

South side of I-70 from Highway K to Veterans Memorial Parkway

Project Description:

With the current I-70 project, there is no direct connection between Highway K and Woodlawn Avenue planned along the south side of I-70, and no clean turn-around capabilities for westbound traffic to transition back to eastbound. Therefore, the proposed project will extend the limits of the outer road system on the south side of I-70. That design would extend west from Highway K to Woodlawn Ave and incorporate a Texas U-turn on the west side of Highway K under the I-70 overpass and another on the east side of the Woodlawn Avenue overpass. These Texas U-turns would allow for better outer road circulation. The project also proposes to improve traffic circulation around the Woodlawn overpass.

Project Status: Project is currently under construction

Project Funding:

TOTAL	County	Sponsor	Federal	Other
\$6,400,000	\$3,435,090	\$1,868,407	\$0	\$1,096,503

Anticipated Completion Year: 2023

Sponsor: City of O'Fallon
