JUNGERMANN ROAD SAFETY IMPROVEMENTS

Project Location:

Jungermann Road from Sutters Mill Drive to Garden Valley Drive

Project Description:

This project improved the safety of the horizontal curve located on Jungermann Road between Sutters Mill Road and Garden Valley Drive with the installation of a high friction surface treatment. The project also replaced the existing inlaid pavement markers on all longitudinal striping along Jungermann Road between Bartley Street and Willott Road. Solar-powered push button activated flashing LED pedestrian crossing signs were installed at the mid-block pedestrian crossing on Jungermann Road at Garden Valley Drive.
