SCHWEDE ROAD

Project Location:

Schwede Road from Hoffman Road east to bridge over Cunningham Branch

Project Description:

This project consisted of reconstruction and realignment of Schwede Road between Hoffman Road and the bridge over Cunningham Branch. The existing roadway at this location on Schwede Road had an existing sharp horizontal curve in the roadway alignment. This project realigned the road to remove this curve and replace with a less severe horizontal curve. The road was reconstructed with two 12-foot lanes and 2-foot shoulders. Additionally some minor drainage improvements were completed with the project.

Project Status: Construction completed

Original Project Funding:

TOTAL	County	Sponsor	Federal	Other
\$480,000	\$300,000	\$0	\$180,000	\$0

Final Project Total: \$338,387

Final County Contribution: \$148,202

Completion Year: 2021
