FRENCHTOWN GREAT STREETS

Project Location:

North 2nd Street between Clark Street and Tecumseh Street connecting to Interstate 370 along North 3rd Street

Project Description:

The Frenchtown neighborhood lies just north of the historic Main Street district in downtown St. Charles, Missouri. The Frenchtown Great Streets Master Plan is a comprehensive corridor and neighborhood plan for the city of St. Charles and St. Charles County to utilize as an implementation guide for future improvements and development. The project area extends 1.3 miles along North 2nd Street, between Clark Street and Tecumseh Street, and then connects to I-370 along North 3rd Street. The Great Streets Initiative is a program offered through East-West Gateway Council of Governments (EWG) to provide comprehensive corridor planning to the St. Louis metropolitan area. The funding listed below as “Federal” was provide by EWG. The plan offers a clear path forward for making improvements in Frenchtown. Two alternate layouts for the Frenchtown Great Streets master plan can be found on the following pages. See the project website listed below for additional plan information.

FRENCHTOWN GREAT STREETS

CONNECTIONS & MOBILITY

Connections and Mobility Aspiration:
The streets and trails in Frenchtown will welcome and accommodate current and future multi-modal users including transit riders, personal vehicle drivers, cyclists, scooter riders, pedestrians of all abilities to a safe and comfortable environment throughout the year.

DEVELOPMENT ASSETS

Development Assets Aspiration:
The Frenchtown community will be strategic to leverage opportunities for maximum impact, while also making holistic investments that improve market conditions over time. A vibrant community will be built through attracting outside spending, attracting and retaining talent and growing from within.

GREEN NETWORK & STORMWATER

Green Network and Stormwater Aspiration:
Frenchtown will redefine the meaning of a neighborhood by the Missouri River. The Missouri River will be an asset to the community as River flooding and stormwater flooding are addressed in visible and progressive ways resulting in increased resilience and amenity.

CHARACTER & IDENTITY

Character and Identity Aspiration:
Frenchtown is a vibrant, welcoming place full of life offering a diversity of memorable experiences. What makes Frenchtown distinct is a balance of historic preservation and adapting to serve the future with compatible new architecture and placemaking.
