INTERSTATE DRIVE EXTENSION

Project Location:

New Interstate Drive east-west connection from David Hoekel Parkway to Schaper Road

Project Description:

This project continued the extension of Interstate Drive across western St. Charles County toward Foristell from David Hoekel Parkway to Schaper Road. This new east-west portion of Interstate Drive provides for two 12-foot lanes with 6-foot shoulders and 6-foot-wide sidewalks along both sides of the road. The connection to the new David Hoekel Parkway will provide access to the new interchange on I-70 recently constructed by the City of Wentzville. As part of the David Hoekel Parkway and Interstate Drive project south of I-70, the property owners donated all of the needed right-of-way and easements to extend Interstate Drive west of David Hoekel Parkway to Schaper Road; this funding is listed as “Other” under the funding totals shown below.
