**ROUTE N AT HOPEWELL ROAD INTERSECTION
REALIGNMENT PROJECT
(f/k/a DAVID HOEKEL PARKWAY PHASE 4)**

Project Location:

Route N from east of Hopewell Road to west of Duello Road

Project Description:

This project will realign Route N to remove a hazardous horizontal reverse curve where Duello Road and Hopewell Road currently intersect Route N at an approximate 400-foot offset. With the smoothing of curves on Route N, Hopewell Road will also be realigned to connect at a new intersection across from Duello Road to remove these offset intersections. Route N will also be widened to provide for separate right turn and left turn lanes in both directions at the new intersection with Duello Road/Hopewell Road. Hopewell Road will be reconstructed as a 2-lane road with two 12-foot lanes and 4-foot shoulders. A dedicated right turn lane will also be provided on Hopewell Road at the new intersection with Route N. Duello Road is also a 2-lane road with 11-foot lanes and 2-foot shoulders. Additional widening will be provided along Duello Road to provide for separate turn lanes with longer storage lengths at the new intersection.

Project Status: Construction Completed

Original Project Funding:

TOTAL	County	Sponsor	Federal	Other
\$2,728,115	\$1,632,115	\$0	\$1,096,000	\$0

Final Project Total: \$3,935,931

Final County Contribution: \$2,839,931
