

# Commemorative Bench Program

If you're looking for a unique way to honor a family member or loved one, consider purchasing a commemorative bench to be placed in one of your St. Charles County parks. A customized plaque allows you to leave a lasting impression with three lines of 25 characters each, including punctuation and spaces. Each bench is made of steel, has cast iron armrests and comes with a 10-year warranty.

Each park has designated areas for commemorative benches. The St. Charles County Park Planner will be in contact with the donor to discuss the location of the commemorative bench.

Commemorative benches are \$2,500 each and can be ordered by downloading and completing the form below

and then click the "**SUBMIT**" button. Or, if you prefer, you can drop off or mail a completed form: St. Charles County Parks Department, Attn: Parks Foundation, 201 N. Second St., Suite 510, St. Charles, MO 63301.

Payments can be made by check or money orders and submitted with the form. Please make your check or money order payable to the **St. Charles County Parks Foundation**. Online ordering is available through PayPal at [stccparks.org/ParksFoundation](http://stccparks.org/ParksFoundation). After your order has been processed Parks staff will contact you.

The St. Charles County Parks Foundation is a 501(c)(3) non-profit organization with a mission to provide financial and volunteer support for St. Charles County Parks. For more information about the Commemorative Bench Program or other opportunities to support our parks, call the Parks Department at 636-949-7535.
