HIGHWAY 61 OUTER ROAD EXTENSION

Project Location:

New Outer Road Extension from Peine Loop Road south to Jockeys Run

Project Description:

This project provided for the construction of a new outer road connection beginning at Peine Loop Road to the second entrance of the Lexington subdivision. This portion of the project was the first phase of the Highway 61 Outer Road Extension project. The next two phases, currently in right-of-way acquisition and final design, plan to extend the roadway south to create a continuous Highway 61 outer road connection between Peine Road and Wentzville Parkway. This project also included the preliminary design of those two phases. The funding listed as “Other” was provided by the Developer, for the first phase of the project, which included the cost of the design, right-of-way, and construction of pavement and storm sewers.
