MID RIVERS MALL DRIVE RECONSTRUCTION

Project Location:

Mid Rivers Mall Drive from Mexico Road to St. Peters-Howell Road

Project Description:

The project provided for rehabilitation of the existing concrete pavement along this segment of Mid Rivers Mall Drive. The existing roadway is a 5-lane section with a center two-way left-turn lane and sidewalks along both sides of the road. The project provided for full depth concrete slab replacement of deteriorated sections of existing pavement and deteriorated sections of existing sidewalk. The project also included traffic signal upgrades, installation of Gateway Green Light infrastructure, including a dynamic message sign board.
