WILLOTT ROAD RECONSTRUCTION

Project Location:

Willott Road from Jungermann Road to Mid Rivers Mall Drive

Project Description:

This project provided for pavement rehabilitation of Willott Road between Jungermann Road and Mid Rivers Mall Drive. The existing road is a 3-lane section with a center two-way left-turn lane with existing sidewalks along both sides of the road. The main component of the project was to provide for roadway maintenance which included removing and replacing damaged concrete pavement, curb and gutter, and sidewalk sections. The project also included ADA improvements, traffic signal upgrades, and installation of Gateway Green Light infrastructure. The final rehabilitated roadway surface was striped for the addition of bike lanes to provide for an on-street bicycle facility along the entire project corridor.
