## **SOUTH RIVER ROAD RECONSTRUCTION**

### **Project Location:**

South River Road from South Main Street to Friedens Road/Arena Parkway

### **Project Description:**

This project reconstructed South River Road from South Main Street to Friedens Road. The existing concrete roadway was in very poor condition with a significant amount of cracking, settling, and spalling throughout the entire project limits. Due to this extensive pavement deterioration it was determined that partial slab replacement would not be cost effective, therefore the existing 4-lane roadway was completely reconstructed in place. The project also provided for a new sidewalk connection, extending the existing sidewalk approximately 1000-feet to the north along the northwest side of the road to provide for a complete ADA compliant sidewalk connection.

**Project Status:** Construction completed

**Original Federal Award:** \$1,744,000

**Original County Participation:** \$436,000

**Final Project TOTAL (Design, R/W & Construction):** \$1,593,845

**Final Federal Contribution:** \$1,211,121

**FINAL COUNTY Contribution:** \$382,724

**Completion Year:** 2020
