LAURA HILL ROAD

Project Location:

Laura Hill Road east of Knaust Road to Route K

Project Description:

This project provided for the removal and replacement of damaged concrete pavement sections along Laura Hill Road. The existing concrete roadway is comprised of a 3-lane section with curb and gutter and enclosed drainage; the center lane serves as a two-way left-turn lane. There is existing sidewalk along the majority of both sides of the street. This project included the addition of the missing section of sidewalk on the south side of the road to complete the sidewalk connection.
