

This road project paid in part through the
St. Charles County ½ Cent Transportation Sales Tax.

HANLEY ROAD

Project Location:

Hanley Road from Pleasant Meadow Drive to Feise Road

Project Description:

This project provided for the reconstruction and improvement of Hanley Road. The project included reconstructing the two existing 10.5-foot lanes to new 13.5-foot lanes with concrete curb and gutter and a new enclosed storm sewer system to handle storm water runoff. The road was widened between Feise Road and Brett Ridge Drive/Barrington Lake Drive to provide for left-turn lanes at these intersections. New 5-foot-wide sidewalks were constructed on both sides of the roadway along with new curb ramps at all intersections and street crossings to provide ADA compliance.

Project Status: Construction completed

Original Project Funding (Design, R/W & Construction):

TOTAL	County	Sponsor	Federal	Other
\$1,876,100	\$938,050	\$187,610	\$750,440	\$0

Final Project Total: \$1,776,950

FINAL COUNTY Contribution: \$938,050

Completion Year: 2022

Sponsor: City of Dardenne Prairie
