

This road project paid in part through the
St. Charles County ½ Cent Transportation Sales Tax.

HIGHWAY N

Project Location:

Highway N from Mid Rivers Mall Drive to Motherhead Road

Project Description:

This existing arterial roadway was in poor condition and required maintenance to preserve the existing pavement. Therefore the project rehabilitated the pavement with a 2-inch mill and overlay and installed new pavement markings and signs. To better accommodate pedestrians, the project also replaced the existing raised asphalt shoulder on the south side of Highway N with new concrete sidewalk. Additional improvements included modification of pedestrian push buttons and reconstruction of all entrances to provide for an ADA compliant path. On the north side of Highway N, a 10-foot-wide multi-use path was previously constructed by the City of Cottleville to provide for bicycle accommodations along the roadway.

Project Status: Construction Completed

Original Project Funding (Design, R/W & Construction):

TOTAL	County	Sponsor	Federal	Other
\$1,900,000	\$608,000	\$152,000	\$1,140,000	\$0

Final Project Total: \$1,138,078

FINAL COUNTY Contribution: \$256,090

Final Sponsor Contribution: \$64,023

Final Federal Contribution: \$817,965

Completion Year: 2022

Sponsor: City of Cottleville
