WEST CLAY EXTENSION

Project Location:

New roadway extension of West Clay Street from Boone Avenue to First Capitol Drive

Project Description:

This project supported the redevelopment of the 15 acre parcel of land between First Capitol Drive and Boone Avenue. The project provided for the extension of West Clay Street south of First Capitol Drive to Boone Avenue. The new roadway is a 5-lane section from First Capitol Drive to St. Charles Avenue and then narrows to a 3-lane section to Boone Avenue. The new roadway was constructed with concrete pavement and curb and gutter. To accommodate pedestrians and bicyclists, the project constructed a sidewalk along the south side and a multi-use trail along the north side of the road. The project included the installation of a Rectangular Rapid Flashing Beacon at a new pedestrian crossing at Spring Avenue. To improve safety along the corridor, street lighting and pedestrian lighting was also provided. Additionally, the signal at First Capitol Drive was modified for the addition of the new fourth leg of the intersection.
