## MEXICO ROAD PHASE 4

### Project Location:

Mexico Road from High Country Drive to Route A

### Project Description:

This project provided for improvements on Mexico Road. The existing 2-lane roadway was widened to 3-lanes to provide for a center turn lane. The project included curb and gutter, and a new storm sewer system. A new traffic signal was also installed at the intersection of Mexico Road and Route A. To accommodate pedestrians, new sidewalk was installed along both sides of Mexico Road.
