ARENA PARKWAY AND FRIEDENS ROAD INTERSECTION IMPROVEMENTS

Project Location:

Intersection of Arena Parkway/South River Road and Friedens Road

Project Description:

This project provided for the realignment of Arena Parkway at the intersection with Friedens Road and South River Road. Prior to the improvements, Arena Parkway intersected Friedens Road and South River Road in the middle of a horizontal curve in the roadway alignment. To improve safety and traffic operations, the project realigned the intersection to provide for a standard T-intersection. Friedens Road was also realigned to tie into the newly realigned Arena Parkway/South River Road at an approximate 90-degree angle.

Project Status: Construction completed

Final Project TOTAL (Design, R/W & Construction): \$1,379,223

Final Federal Contribution: \$1,032,296

FINAL COUNTY Contribution: \$346,927
