EAST PITMAN LOOP ROAD

Project Location:

East Pitman Loop Road from Pitman Avenue to Route A

Project Description:

This project provided for a new roadway connection between Route A and Pitman Avenue. Route A is an existing grade separated roadway over Pitman Avenue and the adjacent railroad tracks. Prior to this roadway connection, motorists could only access Pitman Avenue from the exit at Lake Saint Louis Boulevard or from northbound US Route 61. The establishment of East Pitman Loop Road provides an alternate route to the nearby GM Plant. The roadway was constructed with two 12-foot lanes and 6-foot shoulders. Route A was re-stripped to provide for a southbound left-turn lane to access new East Pitman Loop Road.

Project Status: Construction completed

Original Anticipated Project Cost: \$1,130,136

FINAL PROJECT TOTAL (Funded 100% by County): \$602,130

Completion Year: 2013
