St. Charles County ½ Cent Transportation Sales Tax.

HENNING ROAD PHASE 2

Project Location:

Henning Road from Heartland Drive to Toussaint Landing Drive

Project Description:

This project provided for the replacement of Henning Road, an existing 2-lane asphalt roadway, prone to major flooding. The new 2-lane roadway was reconstructed with concrete pavement and asphalt shoulders. The project also provided for the addition of turn lanes at the intersections of Barathaven Boulevard and Heartland Drive. To address flooding, the vertical profile grade was adjusted to raise the roadway out of the 100-year floodplain which also required the replacement of the bridge over Dardenne Creek. To continue to accommodate bicycles and pedestrians, the existing 8-foot multi-use path along the east side of the roadway was also reconstructed with the project.

Project Status: Construction Completed

Original Project Funding (Design, R/W & Construction):

TOTAL	County	Sponsor	Federal	Other
\$3,469,820	\$1,690,480	\$399,740	\$1,379,600	\$0

FINAL COUNTY Contribution: \$1,591,137

Completion Year: 2014

Sponsor: City of Dardenne Prairie
