Explore the Outdoors in St. Charles County Parks!

Our Park Rangers are ready to take your group on a hiking experience you'll not soon forget! Hear about park history, plant and animal life, and learn fun nature facts as we hike for about an hour through a scenic park of your choice.

These group hikes are great for meeting merit badge requirements for Scouts or just getting outdoors to explore what the St. Charles County Parks system has to offer. Hikes are available year-round and are \$1 per person. Specific requests are considered for a nominal fee.

Call our administration office to make a reservation for your group today.
