

## Educational Outreach St. Charles County Parks

Visit a St. Charles County Park for your next class field trip! Teachers looking for unique experiences for students ages 4 - 12 are invited to schedule an exciting class field trip to any of our parks! One of the most popular destinations is at Towne Park, 100 Towne Park Drive in Foristell, where children will explore the only 3 acre Certified Nature Explorer Classroom in St. Charles County, and then engage in nature and history-based activities in the park. Let our skilled staff and Missouri Master Naturalist volunteers guide your group on an outdoor adventure they will not forget! Pack your lunch, and we'll do the rest! Costs typically range from \$4 - \$8 per child. Call 636-949-7535 to make a reservation.
