

ST. CHARLES  
COUNTY  
PET ADOPTION  
CENTER

## THIS SPRING, WE'RE EXPECTING...

April's showers do bring May flowers, but springtime also signals an influx of newborn kittens and puppies. To celebrate this season of birth, St. Charles County's Pet Adoption Center is hosting a Pet Shower, and you're invited as our special guest. Dogs, cats, puppies and kittens of all sizes, colors and ages are now waiting for you to adopt them into their forever homes. And, for those who aren't able to adopt at this time, we invite you to welcome our barking babies and meowing mites with a special gift from our puppy or kitten registries.

### Adoption Fee (\$60 for dogs, cats, puppies and kittens):

Choosing your pet through the Pet Adoption Center offers an outstanding value, as our adoption fee includes a health examination, initial vaccinations, a spay/neuter service, microchipping and more. To discover who is available to join your home today, please stop by or view [www.sccmo.org/pets](http://www.sccmo.org/pets).

### Puppy Registry:
